## A collage of various artistic materials and images. In the center is a large sheet of paper with a repeating floral line drawing. To the left, there's a color chart with various shades of red, orange, and brown. Below it, a piece of paper with the word 'PAPER' written in large, stylized letters. Above the central sheet, a small label reads 'COLOR EXP'. To the right, there's a painting of a landscape with colorful, abstract shapes. Below that, a painting of a room with a green wall and a yellow circle. At the bottom, there's a painting of a landscape with a pinkish-red sky and a yellow circle. The collage is composed of many different pieces of paper, paint, and other materials, creating a complex and layered visual effect.

A photograph of the Rainbow Hotel in Primm, Nevada, a colorful, multi-story building with a vibrant, abstract facade. The building is situated in a desert landscape with sparse vegetation and a clear sky. The foreground shows a paved area with a blue and white checkered pattern.

# THE PROCESS

You. You work so hard in college and know it will pay off. We need to start taking advantage of how close we live because I know we won't be this close ever. Looking forward to celebrating your holiday with you and hopefully we can spend more time together this year. Also, your clothing line is actually really cool and I think that's something you should keep doing even after school. God gave us all these gifts, now it's time to put them
